*NRV= nutrient reference values

Ingredients

MCT oil, Vitamin A (retinyl palmitate) 1.0 IU/g in MCT oil, Vitamin D3 (cholecalciferol) 1,0 M IU/g in MCT oil.

NutraVit A+D Drop is specifically formulated to deliver an ideal amount of Vitamin's A & D. This high-potency supplement is conveniently found in liquid form to make daily consumption easier than ever. Vitamin A contributes to the maintenance of normal vision and skin. Vitamin D contributes to the maintenance of normal bones and teeth as well as normal muscle function. Vitamin D is vital for the normal growth and development of bone in children.

In addition; Vitamin's A & D both contribute to the normal function of the immune system and play a role in the process of cell division. For best results, vitamins should be given daily.

Vitamin D3 (cholecalciferol) is a fat-soluble vitamin that helps your body absorb calcium and phosphorus. Having the right amount of vitamin D, calcium and phosphorus are important for building and keeping strong bones and teeth. Vitamin D3 also helps in regulating the immune system and cell growth.

Vitamin A (Retinyl palmitate) is also a fat-soluble vitamin that plays an essential role in healthy immune function and support vision, normal growth and development. Vitamin A helps maintain tissue health of the mucous membranes in the respiratory, GI and urinary tracts.

Vitamin A has also potent antiviral properties that help maintain the lining of the intestinal tract – crucial for nutrient absorption, digestion, and immune health.
