\*NRV= nutrient reference values

**Ingredients:** vitamin C; folic acid; vitamin B12; iron diglycinate; bulking agent: microcrystalline cellulose E 460; thickener: corn starch; sustained release regulator: hydroxy propyl methyl cellulose E 464; glazing agent: shellac E 904; gelatine bovine.

**Nutrairon SR** is used to boost iron and vitamin levels in people who need it. This can include women wishing to give birth, pregnant or lactating females, elderly patients, athletes, people who have donated blood or those suffering from fatigue. It may also be used to treat anemia resulting from other causes.

As iron is used to produce hemoglobin (a substance which carries oxygen throughout the body), this supplement helps to prevent fatigue caused by a lack of oxygen and may also help maintain healthy skin, nails and hair. Folic acid is contained in this supplement, and it plays an important role in the production of DNA. Other vitamins are also included, to maximize the benefits of the supplement.

**DIRECTIONS:** Adults, take one capsule daily with food, or as directed by your doctor.

**WARNING:** If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

\_ Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under six.

KEEP THIS PRODUCT OUT OF REACH OF CHILDREN. In case of accidental overdose, call a doctor or Poison Control Center immediately.

Store in the original package at a temperature below 25°C.

**PACKAGING:** 60 capsules (4 blisters of 15 capsules) with an enclosed leaflet in a carton box.
