

Nutra D

50,000 IU Vitamin D

Ultra Strength Dietary Supplement

Nutra D is specifically formulated to deliver the ideal amount of Vitamin D. Vitamin D3 helps absorption and utilisation of calcium and phosphorous in the body and plays a crucial function in bone formation and mineralisation. Vitamin D3 also contributes to the normal function of the immune and cardiovascular systems.

Directions: Adults-Take one softgel weekly with a meal, or as directed by the physician.
