

Nutra D Drop

Dietary Supplement

Content in one drop:

Vitamin D3 (cholecalciferol) 400 IU 200% Daily Value

Ingredients: MCT oil, Vitamin D3 (cholecalciferol) 1,0 M IU/g in MCT oil.

Nutra D Drop is specifically formulated to deliver the ideal amount of Vitamin D. This high-potency supplement is conveniently found in liquid form to make daily consumption easier than ever. Vitamin D contributes to the maintenance of normal bones and teeth as well as normal muscle function. Vitamin D is vital for the normal growth and development of bone in children.

Vitamin D3 (cholecalciferol) is a fat-soluble vitamin that helps your body absorb calcium and phosphorus. Having the right amount of vitamin D, calcium and phosphorus are important for building and keeping strong bones and teeth.

Vitamin D3 also contributes to the normal function of the immune system and play a role in the process of cell division.
